### What's been happening in school

On Tuesday Y6 went to their Junior Life session. Here are a few quotes from the children.

Alice-I really enjoyed the Junior Life Skills because it taught me how to keep myself and other people safe. It was really good afternoon and I got to meet new people. I now know how to do CPR, the importance of road safety and never to share my personal information online

Maya- It was an action packed, fun filled afternoon where we learnt many things including using a heart defibrillator, the importance of unplugging appliances at home and many more things.

Dan – I found out things that I never knew about the police and how important their role is in the world. Also, the dangers of hoax calls.

Dylan- I found it a great opportunity to learn about recycling, police and coastguards along with road and fire safety.

April-We know how to keep each other safe and all the activities were explaining how we should keep safe by knowing how to do CPR.
