

Wembury Primary School Pupil Premium 3-year Strategy

2021-2024

Academic Year 2023-2024

All members of staff and governors accept responsibility for 'socially disadvantaged' pupils and are committed to meeting their pastoral, social and academic needs within the school environment. We are committed to 'closing the attainment gap' between vulnerable pupils and the Pupil Premium forms a vital part of that process. The governors reserve the right to allocate the Pupil Premium funding to support any pupils or groups of pupils the school has legitimately identified as being socially disadvantaged. Our chosen approaches are research based from the Education Endowment Foundation (EEF) with good teaching being the most important lever to improve outcomes for disadvantaged pupils. Using the Pupil Premium to improve teaching quality benefits all pupils and has a particular positive effect on children eligible for Pupil Premium. The school adopts a tiered approach to Pupil Premium spending, balancing the approaches to improve teaching, targeted academic support and wider strategies. We will consider the challenges faced by vulnerable pupils, such as those who have a social worker and young carers. The activity we have outlined in this statement is also intended to support their needs, regardless of whether they are disadvantaged or not.

Pupil premium strategy statement

This statement details our school's use of pupil premium and recovery premium funding for the 2023 to 2024 academic year to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Wembury Primary School
Number of pupils in school	182
Proportion (%) of pupil premium eligible pupils	10.9%
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	2021-2022 2022-2023 2023-2024
Date this statement was published	September 23
Date on which it will be reviewed	September 24
Statement authorised by	Sam Wilkinson
Pupil premium lead	Becky Booth

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£25 406
Recovery premium funding allocation this academic year	£2000
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year – If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£27 406

Part A: Pupil premium strategy plan

Statement of intent

At Wembury Primary School, we believe that providing the highest quality teaching gives the best intervention for catch-up. Everything we do must be underpinned by a commitment to support our teachers to be the best they can be so that we positively impact on improvement in outcomes for our most disadvantaged children and all children. This will be strengthened by a whole school ethos of high expectations, strong relationships, understanding academic and emotional needs and growing potential in every child.

To achieve this, we will focus on every teacher in every classroom being as good as they can be in what they teach and how they teach. We will use the best evidence from research to support improvement in order to improve children's outcomes through collaborative approaches across WeST. We aim to create a culture where everyone is a learner, working continuously to improve, achieve and be better together.

The key principles of our strategy plan are:

3-Tiered Overview

1 Teaching

- Quality First Teaching supported by evidence informed CPD for teachers and support staff based on core areas: Maths Mastery and problem solving; Oracy, reading & writing; curriculum design and pedagogy
- Effective use of assessment and feedback for informing planning and teaching (including the teaching of metacognition)

2 Targeted Support

- Specific intervention programmes led by both Teachers and Teaching Assistants
- Tutoring for Maths/Phonics
- Speech and Language Interventions

3 Wider Strategies

- Multi Agency Support Team Support (including Emotional Logic)
- Lunchtime Wellbeing Champion
- Support educational visits and enrichment activities

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	High proportion of social and emotional wellbeing needs across the school.
2	Reading/Writing gaps have been identified through observation, discussion and assessments.
3	Vocabulary – observations, discussions and assessments have highlighted vocabulary acquisition difficulties, particularly for our younger children.
4	Maths fluency and problem solving. Formative and summative diagnostic assessments identify gaps in key knowledge and application of known facts to problem solving.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
The Quality of the Curriculum continues to be improved	<ul style="list-style-type: none"> Wembury Primary School curriculum is logically and coherently sequenced to create confident, knowledgeable and creative thinkers and orators Gaps in children’s learning and knowledge are closed and prior learning is consistently built on Pedagogical understanding is further enhanced and ensures highly effective curriculum delivery for all pupils
Outcomes improve for all pupils, including disadvantaged	<ul style="list-style-type: none"> Progress from starting points is good or better RWM % ARE and GD improve above the national expectation and is within at least the top 20% of schools nationally Children have the knowledge they need to be successful and can retrieve, connect and apply this knowledge across the curriculum Staff and children’s deeper understanding of metacognition leads to richer learning
Children’s have the tools to support their well-being and to manage their emotions so that they are ready to learn	<ul style="list-style-type: none"> Staff and children use the language of emotional logic to support well-being and to explore and solve issues and can self-regulate All staff follow a trauma informed approach Attendance for all groups is good or better Qualitative data from student voice, discussions with parents, pupil surveys and teacher observations demonstrate high levels of wellbeing, with well-motivated pupils who respond well to challenge Attendance is good at 96%

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost:

Activity	Evidence that supports this approach	Challenge number(s) addressed
<i>CPD to support teachers and support staff to refine the curriculum to meet all needs. The what we teach and how we teach it</i> <i>Humanities curriculum- Opening Worlds</i> <i>EYFS training</i>	EEF Collaborative learning +5	1,2,3,4
<i>CPD to support reading and writing</i> <i>Eg. RWI phonics</i> <i>External CPD</i>	EEF Comprehension Strategies +6 EEF Phonics + 5	2,3
<i>Embedding key number facts, fluency and problem-solving (Mastery Maths)</i>	EEF Mastery Maths +5	1, 4
<i>Effective feedback and metacognition</i>	Metacognition and self-regulation +7 EEF Feedback +8	1,2,3,4
<i>CPD on Adaptive teaching</i> <i>NASEN Teacher Handbook</i>	EEF Evidence Review 'Special Educational Needs in Mainstream Schools'	1,2,3,4

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: ?

Activity	Evidence that supports this approach	Challenge number(s) addressed
<i>Early reading, phonics and KS2 targeted support to address identified needs including fluency,</i>	EEF Early Interventions + 5 EEF Phonics + 5 Reading Framework July 2021 EEF Comprehension Strategies +6	2,3

<i>comprehension and vocabulary</i>	EEF Oral Intervention + 6	
<i>Tutoring Programme with White Rose Maths and teacher delivery of phonics and maths to fill gaps.</i>	EEF Phonics + 5 EEF Small Group +4	2,4
<i>Speech and Language assessment tool and intervention programmes MAST speech and language therapist weekly to support staff to deliver programmes</i>	EEF Oral Intervention + 6	3
<i>Targeted support in class to close the gap</i>		1

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: ?

Activity	Evidence that supports this approach	Challenge number(s) addressed
<i>Purchase of Multi Agency Support Team (MAST) support to address higher levels SEMH needs and support individuals and their families. Also, MAST to train and mentor on the delivery of Emotional Logic and to support with speech and language therapist</i>	Metacognition and self-regulation +7 Socially and emotional learning +4	1,5
<i>Lunchtime Wellbeing Champion</i>	Metacognition and self-regulation +7 Social and emotional learning +4	1,5
<i>Financial support for wider opportunities e.g. residentials, Forest Schools, educational visits and school uniform</i>		5

Total budgeted cost: £

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2022-23 academic year.

Intended outcome	Progress Towards Intended Outcomes 2022-23
The Quality of the Curriculum continues to be improved	<ul style="list-style-type: none"> • There has been a significant amount of work that has taken place to develop key areas of the curriculum (History/Geography/Science and MFL). Subject leaders have worked with the trust to develop these. Detailed progression maps ensure gaps in children’s knowledge and learning lessen prior learning is built upon • Openings Worlds is supporting all pupils’ acquisition of vocabulary • Extensive Continuous Professional Development has taken place within school, with the trust and beyond. Several staff have been undertaking further qualifications including NPQs. • Continuing Professional Development around retrieval practices, research and strategies has led to more of these being incorporated into lessons to support retention of knowledge and skills. • The introduction of Read, Write, Inc, and the subsequent CPD has ensured excellent progression for all and good attainment (KS1 phonics 96%- well above national).
Outcomes improve for all pupils, including disadvantaged	<ul style="list-style-type: none"> • Tutoring has been targeted carefully across the school and has supported pupils to make good progress • Small group interventions have led to good progress • Extra adult support put in place to support vulnerable pupils, enabling them to access the learning
Children have the tools to support their well-being and to manage their emotions so that they are ready to learn	<ul style="list-style-type: none"> • Lunchtime support for small groups/individuals has supported their wellbeing, enabling positive experiences and the development of relationships so that children are ready to learn in the classroom. • The Multi Agency Support Team has continued to support children from across the school which has enabled them to continue attending and to thrive. • The whole school work on Trauma informed Practice has fed into the development of the new behaviour policy and practice which has supported children to become more reflective and to explore different strategies to help them to deal with difficult situations/relationships. There is now a fully trained Senior Mental Health Lead. The training of a team of pupils across KS2 to support positive relationships has been very successful.

	<ul style="list-style-type: none"> • Emotional Logic strategies continue to be used successfully to support pupils in KS2 • Overall Whole School Attendance 96%
--	---

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Programme	Provider
Read, Write, Inc and Fresh Start	Ruth Miskin
Numbots/Times Tables Rock Stars	Maths circle
Opening Worlds	Opening Worlds
Spelling Shed	Ed Shed
Language Link KS1 and KS2	Speech Link Multimedia Ltd
