Autumn 4

### **Weekly Newsletter**

#### **What's happening in school**

Last week we held our Open Morning for September 2025 Foundation Stage children. We had lots of new parents join us and it was lovely to see that our school continues to grow.

Thank you so much for helping us make pick up so much easier at the end of the day for Foundation and KS1 it has made a huge difference.

#### **Flu Vaccines**

Any parents who missed the consenting process and still wish their child to have the flu vaccine, please call 01392 342 678 and we will do a consent form over the phone and assist them in booking into one of our community clinics to have the vaccination done.

Anyone who has already completed a consent form and their child did not get the vaccine for any reason will automatically receive an email inviting them to book into a community clinic.

#### **Harvest Festival**

On Friday 18th October, Wembury Primary School will be holding a whole-school Harvest Festival. We are not able to invite parents and carers on that day due to the size of the hall. However, we will take as many photos as we can and share them with you. Each class will produce work on the theme of Soil to share with the school. The festival is a great opportunity to discuss the Sustainable Development Goals which are a collection of 17 interlinked global goals designed to be a "blueprint to achieve a better and more sustainable future for all". We are kindly asking for a voluntary donation for Plymouth Foodbank which provides emergency food and support to local people in crisis. For the past few years, the charity was overwhelmed by your generosity. We know that these are difficult times for all and you do not have to bring anything if you feel you can't. However, if you are able to, please refer to the link below which highlights what is most needed. We have been advised that some food takes a lot of energy to cook and, with energy prices going up, Plymouth Foodbank has provided a list of preferred items which you will find on the following link: <https://plymouth.foodbank.org.uk/give-help/donate> you will find on the following link: <https://plymouth.foodbank.org.uk/give-help/donate-food/>

## **Tempest Photography**

They will be returning to school on Friday 18<sup>th</sup> to take sibling photos. If you have any pre-school children that couldn't due to the late notice you are welcome to come to school at 8.15am until 8.50am. They will also take photos of any individual children who were absent last time.
