Spring 6

Weekly Newsletter

Great team spirits as always make us proud of Wembury Primary. All of them showed great skills and worked as a team. We came 4th from overall which is great achievement as 46 teams has entered this competition! Roll on summer terms with some sunny football ⚽. Thank you so much once again to everyone who transported the children to the event and Mrs Durbauree and Mr Taylor.

Wylder National Trust

As part of our continued work with the National Trust they have set our Y2,3,4 and 5 children a challenge using an app called Wylder. Your child will bring home all the information either today or tomorrow. It would be great if some children could take part.

Ofsted Consultation - Message from Ofsted

This Autumn, we will start to inspect under a refreshed approach and the way we report to parents and carers will be more detailed and helpful for them to get the full picture of the school their child attends or might be joining.

We now want your views on these proposals and so we have opened a consultation for you to have your say.

The consultation sets out a series of proposals.

[You can find more information about our proposals in our news release here.](#)

[You can find the consultation here](#) as well as helpful videos that set out some of our approach.

The consultation is open for 12 weeks and is split into two parts. The first part is for all those who use our reports and the second is about what we look at when we inspect and how we carry out inspections.
