8th May 2025

Dear Parent/Carer,

We are thrilled to hear that your child has been offered a place in our Foundation class at Wembury Primary School for September 2025 and we are really looking forward to meeting and welcoming your child, and your family, to our Wembury Primary School community. This is such an important transition for your child, and it is so important that there is a positive start to this journey, therefore we have set up comprehensive transition arrangements (please see the table below).

We will be inviting your child to join us to 'stay and play' and to get to know the EYFS staff, we will also be visiting your child at their pre-school setting during the summer term. In addition, we will allocate you a home visit where we can build positive relationships with the family and discuss individual needs. We will also be inviting you to a parent welcome meeting to meet the senior leadership team and other members of the school community.

The phased entry into full time education is put into place to ease the children into their new learning environment and to build strong relationships. Please contact us if you require a full time start rather than our recommended phased entry to school, we will be happy to accommodate your requests to meet the needs of your children.

Please see below for specific dates and school uniform information. If you have any questions, please do not hesitate to contact us via admin@wembury-primary.devon.sch.uk. You will find additional information on our website [here](#).

Warmest wishes,

Mrs Wilkinson (Headteacher), Mrs Law (EYFS Leader) and Mrs Edwards (Teacher and SENCo)

Wembury School Uniform

Our school uniform is ordered online via Mapac website. Please follow the link below. Our uniform consists of grey trousers, shorts, skirts or pinafore dresses with a white or blue polo shirt. Children may then choose a jumper or cardigan with the school logo from a selection of colours with black school shoes.

All children will require a bag in school each day, this may be a 'book bag' ordered through the website or a suitable sized back pack. They will also require a PE kit of white t-shirt and shorts (tracksuit bottoms may be included for colder weather) and trainers. This will be kept in school. Children will also need a water bottle each day.

It is essential that all items are clearly named.
