Summer 7

Weekly Newsletter

Well done to all the children for taking part in the Sports day on Wednesday. They showed real determination and team spirit. My voice was quite hoarse with all the cheering. I loved the atmosphere and seeing so many supporters. We will announce the winners in Friday's assembly. Class teacher's will place some photos on their class website.

We sent an email today detailing which class teacher your child will have next year.

Friday 27th June- Just a reminder that this is a Trust Non-Pupil Day

School Dinners from September

You will have received an email to say that the school is changing providers for school lunches from September. We just want to reassure you that our kitchen will still be expertly run by Sarah and Claire will continue to work alongside her. Both ladies will continue to cook our meals onsite and roast dinners on Wednesday have been protected!!

You will also receive an email asking for any dietary requirements your child requires. It is important that you do reply to this email so that the new company can ensure your child is catered for.

As soon as we have the new menu's we will share them with you.

FROWS News

On **Saturday, 5th July**, we have our biggest event - the Summer Fayre, which we hope the whole community will come to support. We can't run the Summer Fayre without the help of other parents giving an hour to volunteer on a stall and help us set up on the Friday, and clear up after the event. Grab a friend and cover the hour together!

Please add your name to whichever activity you would like to help with. Please note that class performance times are at the top of the sheet for your information.
