#### **What's been happening in school**

Welcome back everyone and what a great start to the new year. The children had a fantastic day last Friday and they enjoyed the sporting activities. They have settled into their new classes, and their learning attitudes are impressive. The teachers are all really proud of them.

I would like to extend a warm welcome to Miss Emily Warr who has officially joined us this term along with all our new children in Foundation Stage.

#### **School Meals**

Thank you so much for all your patience while we all get used to the new school meal system. We are feeding back your views to Aspens and working closely with them. One of these concerns is we would like to reduce the amount of 'sweet sugary puddings' during the school week and we are working with them to make sure there is a good variety of desserts.

#### **Birthday Sweets**

A rising number of families have requested that we suspend giving out birthday sweets. We have a number of children with allergies and dietary requirements, and we want to promote a healthy diet as much as possible. Thank you for your help and support.

#### **Meet your child's classteacher**

These will be held next week for years 1 -6. These are informative sessions led by your child's class teacher and they will give you an insight of what your children will be learning this year and any trips that might be occurring. The Foundation class meeting will be in a few weeks time. Below are the times for each class.
