

20th June 2025

Dear Parents and Carers,

I am writing to inform you that from 1st September 2025, we will be changing our catering supplier.

This decision follows a thorough review of our current provision and a competitive tendering process. Our new supplier, Aspens Services, shares our commitment to providing high-quality, nutritious meals that support the health and wellbeing of our pupils.

We are confident that this change will bring a number of benefits, including:

- A refreshed and varied menu
- Continued focus on healthy, balanced meals
- Improved sustainability and sourcing practices
- Enhanced customer service and responsiveness

There will be no disruption to meal provision during the transition, and we will ensure that all dietary requirements continue to be met. Further details, including sample menus and information on how to provide feedback, will be shared shortly.

Thank you for your continued support.

Best wishes,

Rob Haring
Chief Executive Officer
Westcountry Schools Trust
