What's been happening in school

Children in Y3,4,5 visited Wembury Primary Wood this week which is at National Trust Barton Farm. Sam from the National Trust sent me this message afterwards which I have shared with the children.

' A massive thank you to the staff and pupils of Wembury Primary. We had a fantastic couple of days with Year 4, 5 and 6- they were super enthusiastic and a pleasure to work with! 😊

We have also been approved to have a new Micro Forest developed in our KS1 field area. Our younger children are going to have the opportunity to help create this area in the coming months.
