Weekly Newsletter

What's been happening in school

The children have been completing their first teaching sequence of writing this week and we have been really impressed with their creativity and enthusiasm. What a talented bunch of children we have here.

Harvest Festival

On Friday 17th October, Wembury Primary School will be holding a whole-school Harvest Festival. We are not able to invite parents and carers on that day due to the size of the hall. However, we will take as many photos as we can and share them with you. Each class will produce work on the theme of Farming to share with the school. The festival is a great opportunity to discuss the Sustainable Development Goals which are a collection of 17 interlinked global goals designed to be a "blueprint to achieve a better and more sustainable future for all".

We are kindly asking for a voluntary donation for Plymouth Foodbank which provides emergency food and support to local people in crisis. For the past few years, the charity was overwhelmed by your generosity. We know that these are difficult times for all and you do not have to bring anything if you feel you can't. However, if you can, please refer to the link below which highlights what is most needed. We have been advised that some food takes a lot of energy to cook and, with energy prices going up, Plymouth Foodbank has provided a list of preferred items see below

FROWS News and Events

Wow!! We collected so many apples that we have 595 bottles of apple juice to sell. You can preorder by contacting FROWS.

Additionally, if you know of any local businesses that would like to buy some from us to sell at their location please contact us.

Comedy Night 11th October
