Spring 8

Weekly Newsletter

We were also blown away by the incredible costumes for World Book Day yesterday! The children looked fantastic, with so many creative characters brought to life from their favourite stories. From classic book characters to imaginative homemade outfits, everyone made a wonderful effort.

A huge well done to all the children (and families!) for making today such a fun and memorable day. We loved seeing the excitement for books and stories.

During the day children in KS2 took part in an interactive assembly led by Michael Rosen which was brilliant. They then created their own books, wrote stories using just 5 sentences and Y2 created their own food stories following on from Monday's online session, to listening to a Mystery Reader and spending the afternoon exploring how to make a jelly wobble (based on the book *The jelly who would not wobble*). Y1 created some new designs of knickers based on the book *'The Queen's Knickers'*

A mystery reader also read EYFS and KS1 a story which was great fun.

YEM in collaboration with with Devon Wildlife Trust,
National Trust and South Devon National Landscapes

It has been great to work with you over the last year and I would like to invite to the YEM Annual Meeting is being held in Wembury this year.

You will see in the attached advert that we plan to have short formal AGM at the Wembury Marine Centre followed by a Coastal Visit to include rock pooling on an extreme low tide and a look at the stream to better understand the remediation project and water quality sampling. This is all with the much appreciated support of Devon Wildlife Trust, National Trust and South Devon National Landscapes Estuaries Officer.

It is not necessary to attend the formal AGM to join for the Coastal Visit which is family friendly. The cafe will be open to buy lunch should you need it.

Either way it would be helpful if you could let me know if you are coming as spaces are free but limited and I will send you the EventBrite link to register for the event.

Best regards,

Diane
