Summer 4

Weekly Newsletter

We would like to congratulate our wonderful Y6 for their efforts during this week's SATs. They showed such resilience when they found certain papers challenging but were determined to not give up. I know they are now looking forward to their residential to Barton House next week.

The children in Y4 have been using their observation skills to zoom in on different parts of a picture. They selected four different parts and enlarged them using bright pastels. I think you would agree they are fantastic.

Year 5 have had a brilliant but exhausting week at Mount Batten. Here are a few pictures of the activities they took part in.
