Learning this week in school

We just wanted to thank you all for supporting us during this hot weather. We have worked hard to keep the children and staff comfortable. The children have been amazing at adapting to the weather, keeping hydrated and understanding that they need to stay in the shade.

Y6 took advantage of our air-conditioned classrooms and buddied up with them to help with their learning. What wonderful collaboration.

As you can imagine, the children have had lots of access to the pool!

We are hoping to rearrange our Sports Day and we will let you all know as soon as we can.
