Summer 8

Weekly Newsletter

A reminder to bring cakes for sale at the teachers' tea and cake stand on Saturday at Wembury Summer Fair – please bring these along to the school field in the morning or as you arrive at the event on the day.

It's the summer fair this Saturday fourth of July, and we are still looking for volunteers for some of the volunteer slots available on the rota: <https://canva.link/6xszs69bc1f7wu1>

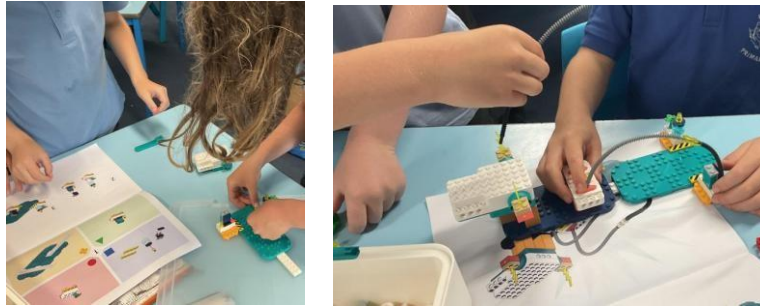

Learning this week in school

Y2 and Y5 enjoyed their time at The Box on Thursday. They took part in a variety of activities and also had a tour of the museum. It's lovely for them to be able to learn all about our local area.

Y4 are currently at Pixie's Holt, looking at their photos on Class Dojo they are having a fantastic time. They have been on the moors, had picnic lunch and even managed to paddle in the river.

Children had lots of fun working with Babcock for our STEM day this week. They worked in teams as Lego engineers to fix a submarine and solve tricky problems, just like a real engineer. Later they became safety engineers and designed and made PPE equipment.

Sports Day Update

We are pleased to share with you that we have rearranged Sports Day for the morning of Tuesday 7th July. Please see timings below:

EYFS/KS1: 9:30 -10:30

Key Stage 2: 10:45 - 12:15

Currently the weather is looking promising. Fingers crossed it will stay this way!

As before, please can the children wear their PE kits to school on this day along with a coloured tshirt to represent their house team.
