

RSE Curriculum Overview

Term 3 Changing Me!

EYFS

Growing up

- How have we changed since we were babies and share experiences
- Show sensitivity to others' needs and feelings and show affection and concern for people who are special

Year 1

Boys' and girls' bodies

- Identify the parts of the body that make boys different to girls and use the correct names for these: penis, testicles, vagina
 - Respect my body and understand which parts are private

Year 2

Boys' and girls' bodies

- Recognise the physical differences between boys and girls, use the correct names for parts of the body (penis, testicles, vagina) and appreciate that some parts of my body are private
 - Tell you what I like/ don't like about being a boy/ girl

Year 3

How babies grow

- Understand that in animals and humans lots of changes happen between conception and growing up, and that usually it is the female who has the baby
 - Express how I feel when I see babies or baby animals

Babies

- Understand how babies grow and develop in the mother's uterus and understand what a baby needs to live and grow
 - Express how I might feel if I had a new baby in my family
- Understand that boys' and girls' bodies need to change so that when they grow up their bodies can make babies

Outside body changes

- Identify how boys' and girls' bodies change on the outside during this growing up process
- Recognise how I feel about these changes happening to me and know how to cope with those feelings

Inside body changes

- Identify how boys' and girls' bodies change on the inside during the growing up process and why these changes are necessary so that their bodies can make babies when they grow up
 - Recognise how I feel about these changes happening to me and how to cope with these feelings

<p>Year 4</p>	<p style="text-align: center;">Having a baby</p> <ul style="list-style-type: none"> • Correctly label the internal and external parts of males and female bodies that are necessary for making a baby • Understand that having a baby is a personal choice and express how I feel about having children when I am an adult <p style="text-align: center;">Girls and puberty</p> <ul style="list-style-type: none"> • Describe how a girl's body changes in order for her to be able to have babies when she is an adult, and that menstruation (having periods) is a natural part of this <ul style="list-style-type: none"> • Know that I have strategies to help me cope with the physical and emotional changes I will experience during puberty
<p>Year 5</p>	<p style="text-align: center;">Puberty for girls</p> <ul style="list-style-type: none"> • Explain how a girl's body changes during puberty and understand the importance of looking after myself physically and emotionally <ul style="list-style-type: none"> • Understand that puberty is a natural process that happens to everybody, and it will be OK <p style="text-align: center;">Puberty for boys and girls</p> <ul style="list-style-type: none"> • Express how I feel about the changes that will happen to me during puberty <p style="text-align: center;">Conception</p> <ul style="list-style-type: none"> • Understand that sexual intercourse can lead to conception (how babies are made) <ul style="list-style-type: none"> • Understand that sometimes people need IVF to help them have a baby • Appreciate how amazing it is that human bodies can reproduce in these ways
<p>Year 6</p>	<p style="text-align: center;">Puberty</p> <ul style="list-style-type: none"> • Explain how girls' and boys' bodies change during puberty and the importance of looking after myself physically and emotionally <ul style="list-style-type: none"> • Express how I feel about the changes that will happen to me <p style="text-align: center;">Girl talk/ boy talk</p> <ul style="list-style-type: none"> • Ask the questions I need answered about changes during puberty • Reflect on how I feel about asking questions and about the answers I receive <p style="text-align: center;">Babies conception to birth</p> <ul style="list-style-type: none"> • Describe how a baby develops from conception through the nine months of pregnancy, and how it is born <ul style="list-style-type: none"> • Recognise how I feel when I reflect on the development and birth of a baby <p style="text-align: center;">Attraction</p> <ul style="list-style-type: none"> • Understand how being physically attracted to someone changes the nature of the relationship <ul style="list-style-type: none"> • Express how I feel about the growing independence of becoming a teenager and am confident that I can cope with this change
